

## PERIODICITY OF NATURAL GAS METER READINGS

EDA THES takes all reasonable measures so that the Metering Period is as stable as possible and records at regular intervals the gas meter readings, in accordance with the provisions of the Metering Regulation (FEK 4818/24.12.19).

You can know the gas metering period based on the next metering period, as stated in the Gas Invoice you receive from your Supplier.

During the year, readings are made at the following frequency:
